Tuckton Tea Rooms  
Wednesday 18<sup>th</sup> or Thursday 19<sup>th</sup> August 2021  
£25.00 per person  
7 pm Boat Trip then 8 pm BBQ**

Our August social event is locally based, and offers the opportunity to enjoy a one hour cruise along the River Stour travelling from Tuckton Bridge in the direction of Mundeford, then back to a freshly prepared BBQ buffet in The Tuckton Tea Rooms.

In more detail, the river cruise will require us to gather at The Tea Rooms at 6.30pm and start boarding on the river cruise boat at 6.45 to ensure a prompt 7pm departure.

The BBQ buffet is with burgers, sausages, and chicken kebabs, with traditional salad, potato salad, rice dishes, pate, French stick and a cheese board. (A vegetarian option is available). To follow there is a choice of tea or coffee and two scoops of ice cream for dessert. We are told there are 16 flavours to choose from!

The Tea Rooms have agreed to set out seating in tables of six so that we can eat indoors with proper spacing and all can be accommodated.

The tea rooms are not licensed premises but we may bring our own alcohol or non alcohol drink to the event. We will also be permitted to take a drink with us on the boat along the river but we **must provide our own plastic drinking vessel!** Soft drinks can be purchased at the Tea Rooms if required.

It has been agreed that a maximum number for each evening is 30 people and a minimum number of 20 people will be needed to make each evening viable. We have therefore reserved two evenings giving the opportunity for more members to participate. It will also enable us to comply with Covid requirements.

There is parking in Wick Lane and all neighbouring roads as well as a paid for car park. Please note there is a toilet facility at the tea rooms but none on the ferry boat.

Please note that the event is an evening gathering and you should consider the need to wear warm weather clothing particularly since you will be travelling up and down the River Stour on your cruise. The cruise boats do have a covered area and we should therefore not be troubled if the English weather misbehaves!!!
